REPORTS

OF

COMMITTEES: MAYOR: Tim Burke. The 2nd Annual Mayor's Ball was held and although the numbers are not official yet there should be about \$3000.00 to go to local groups. The Mayor was interviewed by a local scout so he could get a badge. The Mayor has some school visits scheduled. And the Mayor congratulates the Chief Strish for being selected to attend the highly

prestigious LEEDS program. It is a testament of his character of chasing it.

ENGINEER: Quad 3 (NOT PRESENT)

SOLICITOR: Attorney Frank Kepner. (NOT PRESENT)

<u>PERSONNEL</u>: Travis Petty-Joanne Huntington- Debra Force. Nothing to report.

LEGAL AND FINANCE: Travis Petty-Andrew Shecktor-Debra Force. Mr. Shecktor said we haven't forgotten the thing we talked about before but we are not going to discuss it tonight.

<u>PARKS AND RECREATION</u>: Jay Jarrett - Alvin Hill. Nancy who does a good job setting up the concerts has met with the food vendors. We will have the 50/50 drawings again this year. The first concert is set for May 26th it will be Joe Lapchack and the last concert is September 1st with Memory Lane.

EMERGENCY MANAGEMENT: Andrew Shecktor - Jay Jarrett - Greg Harkins. Training coming up on June 29th sponsored by Talen Energy.

STREETS, PARKS, & BUILDINGS: Joanne Huntington-Jim Meighan-Jack Kyttle. Street sweeping has been completed on all streets with the exception of Park Place Village which will be completed right before their park wide yard sale. The new DPW truck should be completed in about 4 weeks. Veterans Memorial Park is open for the public to enjoy. Residents are asked to report anything specious going on down there to prevent vandalism. Council President Hill wanted to take time to thank the DPW crew, Curt, Council Meighan and the Mayor for helping at Dumpster Day. It went very well.

FIRE AND WATER: Jim Meighan-Fire Chief Bill Coolbaugh. State Fire Grants were applied for by all fire houses. \$59,000.00 in non-matching funds were received and the good news is that the House & Senate voted to continue this for the next 5 years. In other news the fire departments work in conjunction with the police and a car accident happened on Orange Street on a weekend. CODES, RECYCLING, & ORDINANCES: Scott Bower -Greg Harkins. SEE REPORT. Zoning coming up for a barber shop, high grass tickets being given, Turkey Hill getting ready to tear down properties, IGA starting their sidewalk and curb work.

<u>SAFETY</u>: Joanne Huntington-Scott Bower. Nothing to report. Chief Coolbaugh said that the fire departments are under a different workers comp company and one of our audits suggested that we have our own safety committee. We had our first safety meeting in March right after our monthly fire board meetings. SWIFT will be in to hold a training workshop in October that council will be invited to attend. In doing all this we are guaranteed saving at least \$1900.00 dollars next year on workmen's comp.

<u>POLICE</u>: Jim Meighan - Scott Bower - Police Chief Ken Strish. SEE REPORT. Uniforms and gun mounts are in the works. Councilman Jarrett asked Chief Strish to talk on the LEEDS training before it comes up before council. Chief Strish said it is one of 13 regional command colleges that the FBI has nationwide, only 65 openings a year for attendance. It is for executive training and development and is the first step to going into the national academy. This is the first anyone from Berwick has been invited. Bloomsburg had Chiefs Soboloski and Van Loan attend in the past. Councilman Jarrett said that is an honor and an opportunity.

BAJSA REPORT: Scott Bower. SEE REPORT.
